FUN FOR ALL

Ever since the Mitsubishi Colt first appeared in the late seventies, its vibe and versatility have impressed people the world over. Each generation has been admired for combining the agility of a city run around with the comfort of an open-road cruiser. And today's Colt is no exception: chic and sporty, this little-big car will exceed the expectations of the most demanding 21st century driver. With its modern styling, state-of-the-art technology and several different engines and transmissions to choose from, this Colt means fun for all. Naturally, Mitsubishi Motors' designers have created a wide range of tailor-made accessories for this attractive car, increasing the fun-factor even more. In this brochure, you'll find all the extras to enhance your driving pleasure.

AMAZINGLY SPACIOUS

Inside the Colt, the first thing that strikes you is its amazingly spacious interior. It doesn't look or feel like a compact car. Then you'll probably notice the luxury, the attention to style and detail. The use of top materials, all perfectly finished, and the ergonomically positioned controls and instruments tell it all. But there's more to come. Add sporty, stylish accessories like a colour matched steering wheel and shift knob or a sports pedal kit and a leap forward in car design takes a further leap. Then add hi-tech extras like a satellite navigation system and a stereo entertainment unit and your Colt is complete.

COMPLETE COMFORT

You thought the Colt's interior couldn't be more complete? Well, Mitsubishi Motors have improved it. Flexibly adjustable seats provide a level of comfort you expect in a luxury saloon rather than a compact car. Well chosen materials, great finish, and tasteful trim and fascia all go to provide an atmosphere of sheer luxury. And yet you can even improve on this with a range of practical extras to enhance your individual comfort. All of these accessories are as simple as they are effective and have two things in common: they fit the Colt's interior beautifully and, of course, they all meet Mitsubishi Motors' highest quality standards.

GREAT SAFETY, COMPACT DIMENSIONS

Modern compact cars can be extremely safe and the Mitsubishi Colt sets the standard. A rigid body cage, airbags and hi-tech equipment like ABS and EBD (Electronic Brakeforce Distribution) provide driver and passengers with maximum safety in all road and weather conditions. But you can still add to the Colt's safety equipment with a range of genuine accessories to specifically match your demands. Like stylish, fully integrated fog lamps for extra visibility. Or a child safety seat for the youngest passengers, available in several age categories.

BIG IN TRANSPORTATION

The versatility of the Mitsubishi Colt is truly amazing. For example, if you thought that its interior was surprisingly spacious, you'll be even more surprised that the rear seats can be adjusted in several ways for yet more space. Anything that is just too bulky to fit into the Colt's spacious interior can simply be carried on the roof, using a roof carrier with several extension sets. Accessories that make your Colt big in transportation, in full comfort and safety.
